HIGHLIGHTS OF THE ROTARY MEETING

May 17, 2018

OPENING: President Peter Wilk called the meeting to order. Greg Ledesma led the club in prayer. Peter then led the club in the Pledge of Allegiance to the Flag.

GREETERS REPORT: Nate Schlotthauer introduced the May Students of the Month, Abbie and Katarina, and our inbound exchange student, Faza. Also in attendance were guests Micki Hoffmann, Lori and Tom Grinwald, Dina Lane, and past Student of the Month, Kylie.

STUDENTS OF THE MONTH: Abbie and Katarina gave a brief speech about their accomplishments at HUHS and their future plans at today's club meeting.

Abbie has participated in girl's tennis, gymnastics, girl's track, the Math Team, Science Olympiad, National Honor Society, and Student Council at HUHS. She was team captain for girl's tennis her senior year, and earned the mental toughness award during her junior year. Abbie lettered on the Math Team two years in a row and chaired the Homecoming stage committee for Student Council during her junior year. At the beginning of her senior year, Abbie was nominated to speak in front of the HUHS staff on behalf of the student athletes.

Much of Abbie's community involvement stems from the volunteer work done for St. Kilian Church and the HUHS H-Club. She volunteers her time in a first grade Sunday School Class at St. Kilian and plays bingo with senior citizens at their community center. Abbie also helped organize the coat drive, Toys for Tots drive, and Operation Christmas Child sponsored by the H-Club at Hartford Union High School.

Abbie plans to attend Edgewood College in the fall to major in Biochemistry with a pre-engineering emphasis. She also plans to play tennis for the Edgewood Girls Tennis Team.

Katerina is a member of the National Honor Society, Model United Nations Club, The Math Team, National Honor Society, and is the current Co-President of the HUHS Student Council. She has also participated in girl's softball and Forensics. Katerina is Secretary of the HUHS Choral Program and had a lead role playing Winifred Banks in the HUHS production of Mary Poppins during her junior year. Katerina was named an

Advanced Placement Scholar with Honor her junior year and Advanced Placement plus Project Lead the Way Student Achievement award in Biomedical Sciences her senior year.

Katerina has given back to her community by volunteering her time with the Wisconsin Leadership Seminars, St. Kilian School Music Ministry, Hartford Players Community Theater, and as a Certified Nursing Assistant at Aurora Medical Center-Washington County.

Katerina will attend the University of Georgia in the fall to major in Biochemistry and Molecular Biology. She will also minor in Global Health. After obtaining her Bachelor of Science degree, Katerina would like to go to Graduate School to earn a PhD. Eventually, she would like to work for the CDC as an Epidemiologist with the hope of promoting and implementing more efficient and effective methods of healthcare in struggling regions of the world.

EXCHANGE STUDENT REPORT: Faza presented an interesting powerpoint presentation to the club about his home country Indonesia. The country was first settled by Portugal and later the Dutch. Indonesia is the fourth largest country in the world and is very involved in international trade. It exports many of its natural resources. Indonesia exports 80% of the world's supply of nutmeg and 75% of the world's supply of cinnamon. Indonesia received its independence after World War II. The capital city is Jakarta. Faza lives in the city of Surabaya. It has a hot/humid climate with average temperatures between 85-90 degrees. Over 100 different ethnic groups live in Indonesia.
